

Follow Your Heart to a Caring Career

*Find your fit in health care
employment that makes a real
difference in the lives of others*

Care for elders or people with disabilities in their home, out in the community or in nursing homes or other facilities.

ARE YOU LOOKING FOR WORK RIGHT NOW?

- Begin an on-demand career path with great growth potential and no training beyond high school required to start in many positions.
- Employers pay for your initial training in many cases – and they may also pay for future training to help you grow in your career and earn more money.
- You do not need experience working in health care to start many entry-level caregiving jobs – and skills you developed in other fields often transfer to a caring career.
- Many employers welcome employees who are learning English.

You can start working right away, after passing a background check.

Check with potential employers to see how they can work with you on child care, transportation, scheduling, language and other training and more – employers want to work with you.

Make a difference in the lives of others today – find your fit in a Caring Career!
