

How to Create a Job Seeker Account on CareerForce.MN.gov

There are many benefits to setting up a job seeker account on CareerForce.MN.gov:

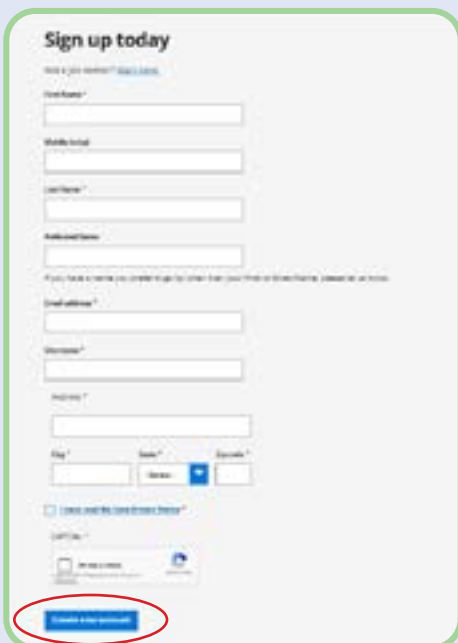

- Set and save career goals
- Create and store resumes
- Save job search terms
- Register for FREE job search workshops
- Much more!

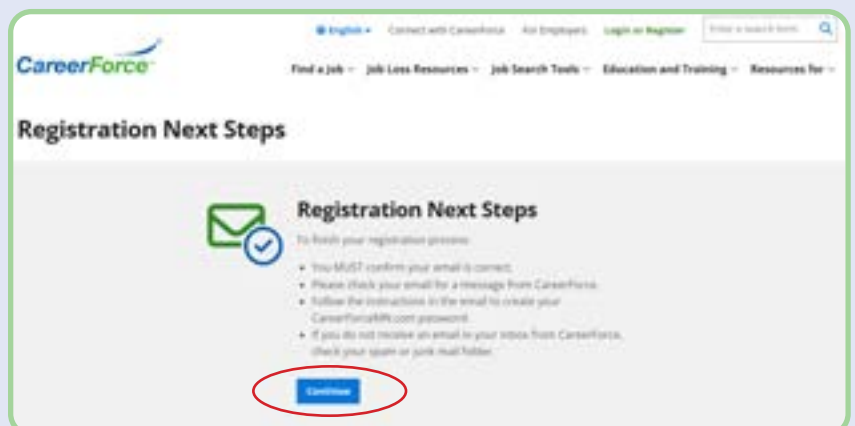

Snap the QR code or go to <https://careerforce.mn.gov/login> to create your FREE job seeker account TODAY!

When you select **Create Account**, you will be sent to a sign up page.

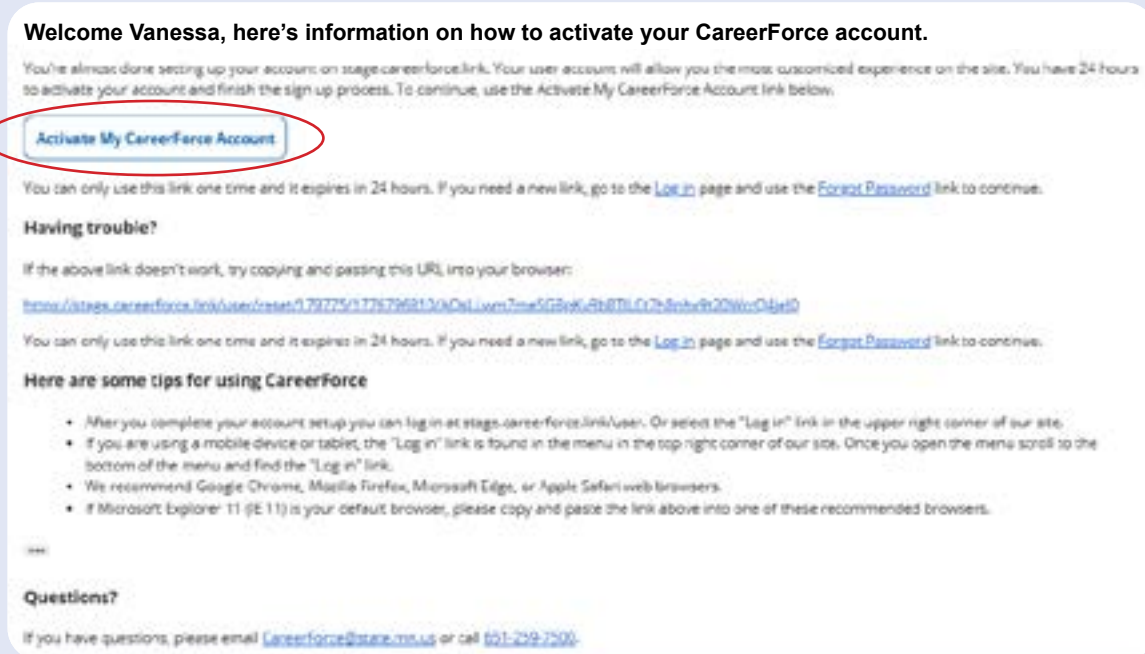

Provide the requested information on the sign up page. Please pay special attention to the email address used to create an account, as you will need to access this email address to activate your account AND you will need to use this email address to register for LoginMN starting on 6/10/2026. When you have finished filling in the required fields, select the **Create New Account** button at the bottom of the page.

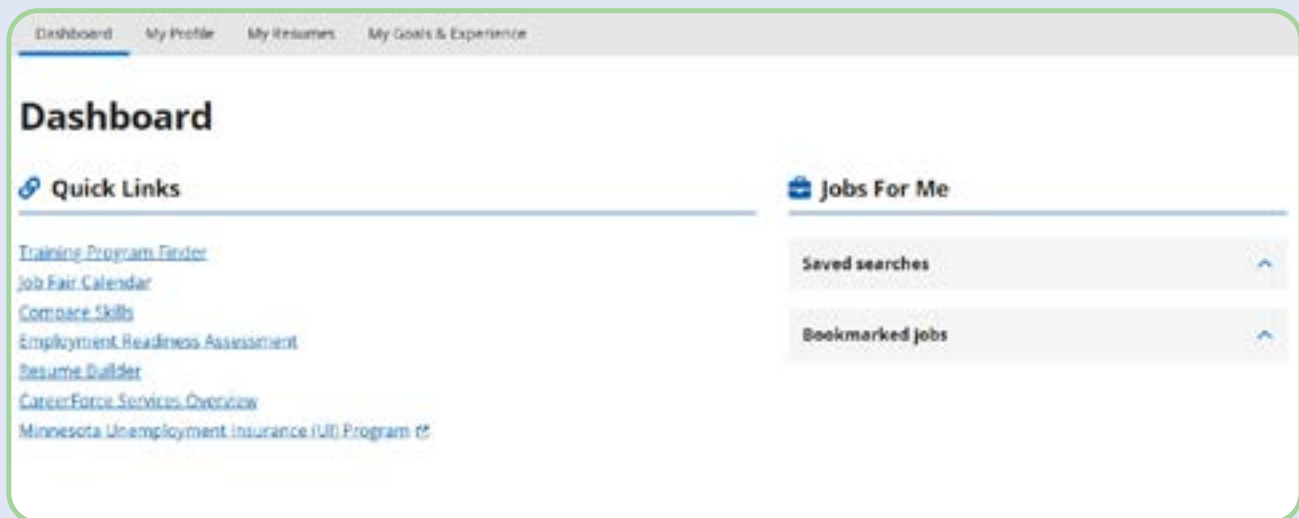

After you select the Create New Account button, you will see this Registration Next Steps screen. Follow the steps on this screen then select the **Continue** button.

You will receive an email with the subject line of **Action Needed - Activate your CareerForce account** will look like this image below. If you don't receive this email in your inbox, check your spam or junk email folder. The email will be sent from CareerForce-NoReply@mn.gov. Select **Activate My CareerForce Account** to be taken back to CareerForce.MN.gov to finish your registration

After you complete your registration, you will have access to your dashboard on CareerForce.MN.gov when you log in. This dashboard is where you will be able to access **My Resume Center, My Goals and Experience, Jobs for Me**, including saved job search terms and bookmarked jobs, and more.
